

# Bathe Your Blood Get the Badness Out

Pimples, Boils, Carbuncles and all Other  
Evidences Quickly Go and  
You Feel Fine

S. S. S. Gives You Backbone, Nerve Strength with Pure,  
Invigorated Blood.

If you feel thick-headed, legs weary, eyes easily and feel utterly used up your blood needs a bath.

It is astonishing how quickly you brace up after using S. S. S.

Eczema, rash, pimples, fever, boils, and all impurities in the blood are quickly washed out by the remarkable action of S. S. S. It is the nature of a bath for your blood. It is not a "dope," not a "spurious" there is not a drop of harmful mineral drug. It is a far better friend to your nerves than any "nervine" you can use because it is just as pure as the grain you would feed to an invalid. The blood takes kindly to S. S. S. It doesn't bother your stomach but it does give you strength. Rheumatism, catarrh, malaria, bronchitis, typhoid and all such painful or dangerous maladies cannot remain in a system washed and cleaned by the remarkable action of S. S. S.

There is one ingredient in S. S. S. which serves the active purpose of stimulating the myriad of cells to the healthy and judicious selection of their own essential nutriment.

And if, from the presence of some disturbing poison a condition of eczema develops, S. S. S. so directs the action of the local cells that the poison is rejected and eliminated from their presence.

Thus, when the cells break down to cause the formation of carbuncles, S. S. S. so stimulates cellular activity that new and healthy materials are rapidly supplied and eruptions cease. The same is true of mucous inflammations, of acid secretions and all those influences which cause rheumatism, catarrh, bronchitis, deafness, and failing vision.

The medicinal properties of S. S. S. are relatively just as vital and essential to well balanced health as the food components of the grains, meats, fats and sugars.

And of one thing you may be certain there is not an atom of mercury, calomel, blue mass, iodine of potash or arsenic in S. S. S. It is a pure vegetable medicine and is perfectly acceptable to even a very weak stomach.

Get a bottle of S. S. S. from any drugist and note how quickly it puts your blood in fine condition. It is just what you need. It is a fine, purifying medicine that is sure to do you a world of good. And if you are troubled with some form of blood disease, write to the medical department of The Swift Specific Co., 270 Swift Laboratory, Atlanta, Ga., for free private advice.

Don't allow anyone to tell you they have something "just as good," for they haven't got it.

It sweeps the way into the blood stream; washes every artery, vein and capillary; awakens functional activity and causes a wonderful animation throughout.

## DOWN THE ALLEYS

By Whit Whitman.

The local tenpin bowlers have made up their minds this season to eclipse all previous records, as evidenced by the scores being made on the Newport Alleys. Four different tenpin leagues are in action, with several more to be organized. This alone has established a new record for the city, as heretofore it was almost impossible to get more than two leagues to take interest in the game. The bowlers this season are turning out in large numbers and each night you can see players on the alleys that have been out of the game for several years, working side by side with the amateurs and old veteran players.

The Commercial League, the first to organize this season, has eclipsed all records, as all of the six teams have played their regular scheduled games. The teams have proven to be very evenly matched, and the race is a pretty one. This league has put new life in the game here, and great credit should be given to the players and officers.

President Frank Overman.

Frank Overman has been unanimously elected president of the league. It was one of the greatest moves the league ever made when the players selected Mr. Overman as their chief, for he is an old hand at the game, always on the alert in seeing that every one gets a square deal, and is liked by every local bowler.

The Times-Dispatch League.

The Times-Dispatch League has made a phenomenal record this season, with more than half of its players new at the game. However, they have put up scores that eclipse last season's records. At the present time, they are playing the Commercial a hard run for first honors. The teams have been putting up some good totals, and the players are deeply interested in the game. Several of its players have already been rated in the class A division this season.

Richmond League.

The Richmond Class A League was organized in grand style on the Newport Alleys last week, and began playing its first scheduled game last Tuesday night. When the Alico and Richmond Lunch teams were pitted against each other, on Thursday night, the Alicos took all three games from the Richmond. The league was organized this season with the same players as in the past two seasons. They will attempt to smash all previous records. The four teams are evenly matched, and should furnish good sport for the followers of the game during the winter months. One feature was the return of Big Chief Billy to the ranks. He puts new life into the game when he is on the alleys. Billy will be at the helm of the Alicos this season.

## With Palace Bowlers

BY R. N. (JAKE) ROWSEY.

Palace National Duckpin League.

The Journal team is still winning, and has not been stopped in its mad career for some time.

The Palace team bumped the News Leader team for three games last Monday night.

C. H. Cosby, of the Palace five, carried off all honors with colors being for high total and average, while R. Carter, of the press boys, captured high score.

The games Monday night between the Palace and News Leader teams were very exciting. The Palace team had a grand lead until the Palace champions suddenly made a last ditch stand and swept the land with a storm of strikes and spares, hanging up 491, 508 and 497 for the series, winning the last game by thirty pins.

The Lunch boys carried The Times-Dispatch boys on a wild goose chase Wednesday night by winning three games in easy fashion.

Patrick, of the bread rollers, capturing high score, and average.

The games this week will be exciting. The Richmond Lunch and Journals will battle Monday night.

On Wednesday night at 8:30 o'clock the Virginians and News Leader teams will draw blood.

Friday night the Palace and Times-Dispatch teams will battle against each other.

Smoker Well Enjoyed.

The smoker given at the opening of the Palace Alleys last week was well enjoyed by a large crowd.

The new alleys are in fine condition, and every bowler commented on the new backings and simple pin spotters.

Some very high scores have already been made in the large boxes, and it is expected that lots of records will be established during the fall season.

The Palace Tenpin League will open about November 10 for a season consisting of sixty-five games. The rules and schedule will be announced later.

Exhibition Games.

The Crystal team won two out of three games from the Hanover team, Rowsey, of the Hanovers, was high bowler, and S. N. Williams was high bowler for the Crystal.

Football Fans Disappointed.

(Special to The Times-Dispatch.)

Bristol, Va., November 1.—Hundreds of football fans here felt keen disappointment this afternoon, when it was announced that the Maryville College team would be unable to arrive in time for the scheduled game with King College on Fairmount Field, due to a delayed train. The game was postponed until Monday afternoon.

Colgate made two touchdowns and a field goal. One touchdown was the direct result of a fumble, and the other party to Thompson, who succeeded Cornish, fumbled a punt when kicked, and it was Colgate's ball on Yale's fifteen-yard line. Five rushes brought a touchdown. The second came when Kiveler, Yale's right half, standing back of his own goal line for a punt, let the ball slip through his fingers, and Wiley, Colgate's right end, fell on it.

In the first period Brock, Colgate's left guard, sent the ball between the uprights from the twenty-five-yard line.

Yale's touchdown came in the second period. The Blues, playing strongly, rushed the visitors off their feet, until finally Knowles made a dashing end run for fifteen yards and crossed the line.
